TRAINING

OTHER: \_\_\_\_\_

## PROJECT DETAILS/NEEDS FOR FUNDS:

The Winners of the Coloring Contest are determined by a vote of volunteers. Previously, winners were displayed on top of shelving near the circulation desk. This caused a line-of-sight safety issue. The winner display has moved to the North wall above the computers. But without a board, they are just being held up to the wall by tacks. A cork board would not only improve the look, but it will keep the drywall in good condition.
